

BULLER ELECTRICITY LIMITED

Personal Development Sponsorship 2018 Information Sheet

Personal Development assistance is available to applicants under the age of 25 years who [or whose parents and or guardians] reside in the Buller Electricity reticulation area and are connected to the distribution system. The assistance is for advancing their educational, cultural, community or sporting pursuits.

Are you, your parents or guardians customers of Pulse Energy, Just Energy or Grey Power Electricity, if so please provide evidence by providing a copy of your most recent power account.

Applications close on **Thursday September 20th 2018**. The Board of Buller Electricity Limited will consider all applications and publicly announce all successful applicants on **Thursday November 29th 2018**. The Board's decision is final.

Please note that any personal information presented in this application will only be used for the purpose of the administration and assessment of the application. Successful applicants will be required for promotional purposes to consent to media releases as a condition of acceptance. Information may be released if required under the Official Information Act.

Personal Development Sponsorship Applicants who have been successful in receiving this sponsorship during previous years are not entitled to apply again with the exception of those persons applying for support for tertiary education.

If you are applying for the Buller Electricity Scholarship you should not apply for the Personal Development Sponsorship as all unsuccessful scholarship applicants will automatically crossover into the Personal Development Sponsorship.
